

Research Internship in Singapore

<https://cde.nus.edu.sg/graduate/iris-nus/>

IRIS@NUS is a two-month internship program at the National University of Singapore for undergraduate and master's students. Participants will work in university laboratories, take part in research projects, and gain hands-on experience under the guidance of leading scientists. The program fully covers all expenses, including airfare, accommodation, and tuition.

In addition to research activities, participants will enjoy tours of Singapore, visits to industrial sites, and workshops.

Deadline: February 28, 2025.
